Intersection Reconstruction at Mehring Way and Freeman Avenue in Queensgate

WHAT/WHEN: Crews of Prus Construction Co. will begin reconstructing the intersection of Mehring Way and Freeman in Queensgate on **Monday, July 26, 2004**, reconfiguring new pavement with islands and a new traffic signal. **The company should finish the project by mid-November 2004.** The contractor will complete the work in phases, and driving patterns will be shifted with each phase. Motorists should observe traffic control devices and follow patterns as set up. The contractor will maintain through traffic most of the time, occasionally posting restrictions in specific directions.

WHERE: Street
Mehring Way and Freeman Avenue Intersection

The Department of Transportation and Engineering oversees the rehabilitation and improvement of streets in the City of Cincinnati. The Department is also responsible for transportation planning, design, engineering services, structural and geotechnical services, right of way regulation and construction management. It is the clearinghouse for all City and regional transportation functions, including serving as a liaison to the Southwest Ohio Regional Transit Authority. Visit us at www.rcc.org/transeng for additional information and construction activity.
